

South Carleton High School  
Peer Tutoring: GPP30 Application  
2019-2020

Student Name: \_\_\_\_\_

Current Grade: \_\_\_\_\_

E-mail Address: \_\_\_\_\_

The Peer Tutoring program is designed for students interested in a leadership opportunity at South Carleton. Students are placed with a teacher in a specific subject area where they can provide assistance and support. Students will continue to develop skills in communication, organization, and teamwork.

**The following is a list of possible roles peer tutors will have in the classroom:**

- work with specific individual students as tutors;
- work with groups of students for catch up, remediation, enrichment, etc.;
- teaching sections if the teacher and the tutor feel comfortable;
- mentoring;
- creation of student profiles, conduct special review;
- assist in evaluation techniques;
- assist with the use of reference material and AV material;
- accompany students to other areas of the school (withdrawal, library, etc);
- completion of specific checklists, charts, etc. to monitor student or class progress; or
- prepare for lab or project work with the teacher.

1. Please discuss ***“Why I would like to be a Peer Tutor”*** in the space below.
